

Straight Desk

Straight lines and contemporary style

With a range of options and configurations you can depend on our wide variety of gable-end office desks to provide you with a strong design profile for your working environment. The benefits of gable-end desks are in its strength and multiple colour options – you can use any of our woodgrains or plain colours for all parts of the desk unit. The use of gable-end also offers an increased level of privacy for its users.

FEATURES - 25mm Top / 18mm gables

Dimensions - mm
